1		PROBLEMS - STAGE C		

Do not scale. Use Approx dimensions only. All dimensions to be checked on site.
 All drawings to be read in conjunction with the Engineer's drawings. Any discrepancies between consultants drawings to be reported to the Architect before any work commences.
 The Contractor's obligation is drawn to the Health & Safety notices identified in the Health & Safety plan as being potentially applicable.
 These items should not be considered as a complete end product. The Plans Package Contractor's normal health and safety obligations still apply when undertaking constructional conditions set out in the IFC.
